Sir,

S.W.¼ 8 - 21 - 2 - W. 4th M.

Referring to your letter of the 12th. of May last, I beg to advise you that as the Department has received an official certificate of the regrettable death while on active service of your son, Pte. Frederick P. Olsen, who held the above land under homestead entry, I may say that action will now be taken to have patent for this land issued in the name of the deceased without calling for the performance of any further settlement duties.

You will be notified of the issue of patent, which will be forwarded to the Registrar for the Land Registration district in which the land is situated, and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with respect to letters probate of will or letters of administration. In this connection I may advise you that the Province of Alberta has made provision for assisting the heirs of deceased soldiers in administering the estates of their deceased relatives, and for further information in this respect you might communicate with The Solicitor, Returned Soldiers' Commission, Edmonton, Alberta.

Sir,-

S.E. ¼ Sec. 17 Tp. 61 Rge. 17 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

DEPT OF INTERIOR

The Soldier Settlement Board of Canada.

S.S.B. FILE NO. 21994.

OTTAWA - June 29th, 1922.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O T T A W A.

MEMORANDUM:

Patent for Homestead in Dominion Lands.

Re - William Mansell, Reg. #1018182.
S.E.¼ of 20- 21- 27- W.4th M.(Hd.)
S.W.¼ of 30-20- 28- W. 4th M.(S.S.)

The above described land is the homestead and soldier grant entries of Mr. William Mansell who was granted advances totalling some $1128. for the purchase of stock and equipment and permanent improvements, the settler giving the Board a charge against his homestead and soldier grant. Owing to the Board's charge upon the homestead and soldier grant, patent thereof cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Mansell requesting that patent to his homestead should be issued in favour of the Board in order that he may sell the same and pay off his indebtedness to the Board. In this connection Mr. Mansell states that he has complied with duties in connection with his homestead and would be entitled to receive patent were it not for our claim. This is confirmed by the memorandum from the Deputy Commissioner of Dominion Lands under the 16th of May, copy of which is attached hereto.

I have to ask that you kindly instruct the issue of patent to the Board as applied for.

Respectfully submitted,

E. Hilton

Secretary.

RECLAMATION SERVICE.

Ottawa, June 5th, 1920.

Sir,-

In connection with the proposed investigation to determine the feasibility for reclamation by drainage of land in Athabasca District, I shall be glad if you will reserve in your records, the land included in the schedule attached.

I beg to advise you that reservations placed against land which is already under entry will not affect the rights of the entrant. In cases where the entry is cancelled or abandoned, it is proposed, unless there is a recognized applicant for the cancellation of the entry, to reserve the land for reclamation by drainage. Any application for inspection covering an entry within the tract now being reserved, which may have been received by you previous to the date of the receipt of this letter, may be dealt with by you in the regular way.

APPLICATION FOR ENTRY. With regard to applicants for entry who may appear before you in the near future, claiming that they have incurred expense in locating suitable land within the tract now being reserved, the Reclamation Service will offer no objection to such person or persons being allowed entry, provided you are satisfied by statutory declaration that the applicant did incur expense in good faith in locating land prior to the date on which you received this letter.

You will, of course, understand in regard to the foregoing instructions that applicants must be eligible for entry in other respects, viz., if the land is soldier settlement land application for entry or for cancellation could ONLY be received from a person who has the right to entry within that tract. Please advise me when these reservations have been noted in your records.

Application to have title to these lands vested in the name of the Soldier Settlement Board under the provisions of Section 27 of the Soldier Settlement Act, 1919.

The Soldier Settlement Board duly advised the Department that a loan had been approved in favour of Mr. F. Bowen on the security of his homestead and soldier grant, the above mentioned lands.

An order hereunder has been signed by the Acting Minister vesting the right, title and interest of this settler, also the title or interest of His Majesty to and in these lands in the name of the Soldier Settlement Board of Canada. It is set forth in the vesting order that Mr. Bowen executed a "Charge on Dominion Lands" for the sum of $1000.00 and has defaulted with respect to the terms and conditions of the agreement executed to the Board on the 22nd August, 1919, in that he abandoned the land for the working, improvement and occupation on which advances were made and has otherwise failed to comply with the Loan Regulations of the Board.

There are no cancellation proceedings outstanding and we have no record of the settlement duties, if any, that have been performed.

Sir,-

N.W. ¼ of Sec.6 Tp. 60 Rge. 18 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re: N.E. 34-64-23-W.4th.

We wish to thank you for completing the mimeographed form, which we sent to you requesting certain information regarding the above land. You have stated, in your foot note, that this account was paid by the Municipality. Our file does not show any record of this payment. Jerry Joslin, the lienee, obtained our advance in 1915. This account, which was for relief, has accumulated interest since that time and the present standing is as follows:-

Principal	Interest	Total
$ 35.00	$ 63.00	$ 98.00

If you have any information, which would serve as proof that this account has been paid, would you be good enough to write us further concerning it.

Dear Sir:

Re: N.E. 34-64-23-4
Your File 28446-17

With reference to your letter of the 1st instant, it was found that title to the above land is free of all liens and on taking the matter up with the Land Titles Office, we were advised that the Crown lien in the amount of $35.00 which was registered on December 20th, 1916 as #4876 B.C., was released by a document registered on November 4th, 1927 as #2512 B.C.

Title to the above land was taken by the municipal district under the provisions of the Tax Recovery Act and under date of June 17th, 1949 Board Order #10552 was issued dealing with distribution of the proceeds of the sale of this parcel between the tax arrears and a joint relief account, but as the Crown lien did not appear on the title, same was not taken into consideration. As the sale of this parcel has now been completed and the proceeds allocated, it would appear that no action can be taken to make any recovery on your account.

If you wish action taken by the Seed Grain and Relief Adjustment Board and Board Order issued, kindly advise in order that same may be prepared.

The above party entered a renewal in the amount of Thirty-five dollars ($35.00) giving as security a lien on the title to the above land. No payment has been made and including accrued interest to March 31st,1953, there is a balance outstanding of ninety-nine dollars and seventy-five cents ($99.75).

The debtor has long since disappeared and there can be no recovery made under the personal covenant.

A recent abstract of title discloses that the title to the above parcel is clear of Crown liens, the lien referred to above having been removed from the title by an Instrument registered on November 4,1927 as number 7512 S.E.

As there is now no possibility of making any recovery on this account, it is my recommendation that the balance outstanding be written off as uncollectible.

The Board had under consideration a memorandum from the Honourable the Minister of the Interior reporting that the Red Deer Valley Coal Company, Limited, has applied for a lease of the land required for the right of way for a spur track from the right of way of the Vegreville-Calgary Branch of the Canadian Northern Railway to the said Company's Coal Mining Properties, in Township 29, Range 20, West of the 4th Meridian, in the Province of Alberta; that the lands affected by the application are the South-east and South-west quarters of section 9 in the above mentioned township, and according to the records of the Department of the Interior, are available for the purpose of such right of way.

Sir.-

S.E.¼ Sec. 12 Twp. 24 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who may become entitled thereto on or before the 1st January 1919, the right to have a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter-section above described and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for one vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you have occasion to write this Department for seed grain relief, the loan must be under the authority of this letter and is subject to usual indebtedness.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: R. T. Beckingsale, Lieut.
S. ½ 30-38- -W.4th M. - Hsd. 6

The above named settler secured advances from the Board totalling $6418, the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Beckingsale requesting that patent to his homestead should be issued in favour of the Board. Mr. Beckingsale states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 27th January, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the Settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S. ½ 30-38-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

[illegible]

THE SOLDIER SETTLEMENT BOARD
CANADA

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1921, (P.C.1321), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board, may transfer to the Board the land so held by the settler;

AND WHEREAS R. T. Hockin is a settler within the meaning of the Soldier Settlement Act and holds the S.W.¼ 30-35-9-W. 4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

NOW KNOW YE that the undersigned, pursuant to the powers and authorities conferred upon him by the said Section One of the Regulations for the transfer of certain lands to the Board where settlement duties completed, as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1321), hereby grants to the Board all the right, title and interest of His Majesty in the said land except mines and minerals that are or shall, acquired or possessed to be vested in the Board.

Dear Sirs:-

We herewith enclose you application of Alexandre Perreault for Land Warrant No.8706 which he claims as being a member of the Red River Expeditions of 1870. In support of his application we enclose you solemn declaration made by him giving various particulars.

We also enclose statements by L.Vaillancourt and Jos. Vaillancourt, both of whom are well known business men in Montreal, together with a further declaration by E. Ouimet, Manager of the Eight Refuge, 66 Jacques Cartier Sq., City. Ouimet was one of the Fenian Raid Veterans and has a medal for services in connection therewith. We might say that Ouimet was employed and paid by the Provincial Government and the City and is well and favourably known here. He would be prepared to give any further information in his power.

Trusting the application may meet with your favourable consideration.

We remain,

Yours respectfully,

Ottawa, [illegible]

Ottawa is of very little more value.

No action can, therefore, be taken by the Department to [illegible] the warrant in question until evidence is filed here, satisfactorily establishing the identity of the claimant, Alexandre Perreault, with that of Alexandre Perreault, who actually served in the Red River Expedition and to whom warrant No. 6705 was issued.

Statements in support of the claim should relate incidents and furnish information which would place it beyond a doubt that the claimant has undoubted knowledge that the claimant actually served and is identical with the volunteer in whose favour the warrant was issued, and all such statements should be in the form of a statutory declaration.

Your obedient servant,

Assistant Secretary.

Department of the Interior.
Canada.

Ottawa, 14th January, 1913.

Gentlemen,-

I am directed to acknowledge the receipt of your letter of the 8th instant, enclosing the application of Alexandre Perreault for Military Bounty Land Warrant No. 2776, issued to Alexandre Perreault, for service in the Red River Expedition, accompanied by the certificates of Messrs. A. Vaillancourt, Joseph Vaillancourt and R. Dubuc as to their acquaintance with Alexandre Perreault and the declaration of Alexandre Perreault giving particulars of his service.

In reply I am to inform you that the evidence furnished does not establish to the satisfaction of the Department the identity of the applicant Alexandre Perreault with that of the Alexandre Perreault to whom the warrant was issued.

The applicant does not state such facts and incidents in connection with his service as would identify him with the person to whom the warrant was issued.

The statement of A. Vaillancourt is practically valueless, as he does not give the particulars of his information, but merely says that Alexandre Perreault was referred to.

The statement of Joseph Vaillancourt lacks that it does not contain information which would connect the matter with the present claimant, as the statement of A.

In further reply to Department of the Interior reference No 2344494 of 25th January, instant, on the subject of Military Bounty Land Warrant No 0705, the undersigned has perused the papers mentioned in that communication, and has come to the conclusion that the claimant - Alexandre Perreault - of 173 St Urbain Street, Montreal, and who is represented by Place & Stockwell, of Montreal, is the man in whose favour the Warrant was issued. Dear Mr. Ames,

In reply to your letter of the [illegible]th instant, I beg to say that a military warrant was issued about 1871 to one Alexandre Parrault, who was a member of the Red River Expeditionary Force of 1870, entitling him or his assignee to select and enter, subject to any settlement duties, for 160 acres of Dominion lands, and it is only recently that application therefor was made to the Department. It has been established that the applicant is the person entitled to the military warrant in question, but in view of the present high market value of this warrant and of the fact that it would appear that Mr. Parrault is a very poor and ignorant old man, the Department has not yet decided as to what would be the best means of protecting his interests in this matter, and, in the meantime, the delivery of his warrant is being withheld.

Trusting that this explanation will be satisfactory,

Dear Sirs:-

Re Application of Alex. Perrault for land warrant 0705

We understand from correspondence and from telephone conversation with you that the proof submitted in this matter is considered by you to be satisfactory, but that you are considering the best way of making delivery of the warrant so as to protect Mr. Perrault's interests.

We think there must be some misapprehension with regard to Perrault's actual condition. He is certainly not a brilliant business man, nor a man of keen intellect. At the same time he is in possession, so far as we can see, of all his faculties so that we do not think it would be possible for us, under the laws of this Province, to succeed in having an adviser appointed to him even though application were to be made.

As we suggested to your Mr. Cote we think the question can perhaps be satisfactorily solved by having Cote examined by a doctor. We do not think there would be any objection to the examination being made by any doctor whom you might care to suggest.

We would consider it a great favour if you would decide the matter in some way as soon as possible as Mr. Perrault is taking considerable of our time and bothering us a great deal with demands to know the reason why we have not received his warrant.

Thanking you in advance, and trusting the matter may soon be concluded,

We remain, Yours truly, Place & Stockwell

Dear Sir:-

Re Alex. Perrault.

Upon my return from Ottawa Mr.Perrault again got in touch with me regarding his land warrant. I told him the view taken by the Department, accentuating the fact that what the Department wished to do was to make sure that he, Perrault got full benefit of his said warrant.

I suggested to him probably the best way would be to ask for delivery of the warrant to some reputable person on his behalf. After consideration he decided to ask you to send the land warrant to Mr. A.Langlois, who has already written you on Perrault's behalf. I believe you will receive letters both from Langlois and from Perrault to this effect.

As already stated so far as Place & Stockwell are concerned such a delivery or a delivery to any reputable person would be perfectly satisfactory.

Ottawa, 8th October, 1914.

Sir,

Referring to your Return of the 19th ultimo, respecting the location, by Frederick James Graham, of Military Bounty Land Warrant No.0705, endorsed in his favour, on the S.W.1/4 of Section 12, Township 84, Range 22, West of the 5th Meridian, formerly the homestead of William Henry Roxburgh, and enclosing the Warrant in question, together with an assignment executed by Mr. Graham in favour of Mr. Roxburgh covering this quarter section, I beg to inform you that the location of the Warrant has been confirmed and that the land now stands in the records here in the name of Mr. Frederick James Graham.

No steps, however, can be taken towards registering the assignment in favour of Mr. Roxburgh, until there is filed here an Abstract of Title to date covering the quarter section referred to, and the usual certificate of the Registrar as to encumbrances etc.

A registration fee of $2.00 is also required.

Your obedient servant,

do solemnly declare that

And I make this

G.F. Ref. No. 2844491.

DEPARTMENT OF THE INTERIOR

Land Patents Branch

Ottawa 13th November, 1914.

Memorandum:-

-Military Bounty Land Warrant No. 0705, issued in 1871, to Alexander Perrault, in connection with the Red River Expedition.

This is one of the cases of the delivery of Military Bounty Warrants recently investigated by the Chief Commissioner of Police, and according to the Commissioner's report received yesterday the Warrant was properly delivered to the grantee.

The Commissioner, however, raises the point that, although he enlisted, Perrault was not entitled to the Warrant in the first place as he never got beyond Toronto.

In view of the fact that the Warrant was issued by the Department of Militia and Defence over forty years ago, and has been disposed of by the grantee, I do not think that the question should now be raised as to whether the Warrant was or was not properly issued in the first place.

This Warrant has been located, the location confirmed and the land assigned. The registration of the assignment has been held here pending receipt of the registration fee and the Certificate of the Registrar as to encumbrances, etc., which were received on the 11th instant.

I beg, therefore, to recommend that the assignment be registered in the usual way and that the patent be prepared in favour of the assignee and as the former homesteader of the quarter section upon which the warrant has been located.

Respectfully submitted,

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

DOMINION LANDS ADMINISTRATION

OTTAWA, 25th August, 1928.

Copy to - A.D.L. Edmonton,
Ref. 185996.

Sir,-

S.W.¼ of Sec. 14 Tp. 60 Rge. 3 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Christian Voigt, Esq.,
Barrhead,
Alberta.

Madam,

S.E. [illegible]-9-W.4th Mer.,
[illegible]

I beg to advise you that the Department has received evidence of the regrettable death in action of Private Robert Clinton Walton who had a claim against the above land as a squatter before survey, and it has been decided that patent for this land may be issued without calling for the performance of any further settlement duties. Kindly acknowledge this letter and advise the Department as to your intentions in regard to this quarter-section.

I may add that the usual practice is to issue patent in the name of the deceased entrant in which case it would be necessary to obtain transfer of title through the Registrar by complying with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. Should it be desired, however, the Department would issue patent in the name of the late entrant's legal representative, provided a certified copy of Letters Probate of Will or a certified copy of Letters of Administration are filed with the Department. It may be noted that the copy in question should bear the seal of the Court of proper jurisdiction. The Province of Alberta, in which this land is situated, has made provision for assistance to heirs of deceased soldiers in securing the grant of their personal representatives. The Province publishes in the Canada Gazette a list of solicitors in the Province of Alberta, to whom Returned Soldiers Commission, Edmonton, Alberta.

Yours truly,

COPIED FOR PUBLICATION D. & A. BRANCH

441341

441408

The Committee of the Privy Council have had before them a report, dated 9th August, 1920, from the Minister of the Interior, submitting as follows:

1. That Robert Clinton Malton was a squatter on the South East quarter of Section 28, Township 89, Range 9, West of the 4th Meridian prior to survey;

2. That Mr. Malton enlisted for active service with the 27th Battalion, C.E.F., on the 11th May, 1915; that is to say, before survey was completed and, therefore, before he was in a position to establish his claim by making entry in accordance with the provisions of the Dominion Lands Act.

3. That according to information furnished by the Department of Militia and Defence Mr. Malton was killed in action on the 15th September, 1916;

4. That had Mr. Malton held the land under entry as a homestead his Estate would have been entitled to patent for the land, under the provisions of Sec. 23 of the said Act, and

5. That it is expedient, under the circumstances, that the late Mr. Malton should be given the standing of an entrant, for the reasons stated.

The Minister, therefore, recommends that under the provisions of Section 76 (k) of the said Act it shall be deemed that the late Mr. Malton was, during his lifetime, in the position of an entrant for the quarter-section in question as from the date that he commenced actual bona fide residence, namely, the 21st May, 1912.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

The Minister of the Interior.

AUDITED
DOMINION LANDS

The Committee of the Privy Council have had before them a report, dated 14th August, 1917, from the Minister of the Interior, stating that under the provisions of section 11 of the Dominion Lands Act a person who was bona fide settled and made improvements on agricultural land before the survey thereof and is in occupation of and ordinarily resident on the land at the time of survey shall, if he is eligible under the said Act to make entry for a homestead, have a prior right to obtain entry for the land so settled on; provided that such right is exercised within six months after notice in writing that the land is open for entry has been given by the local agent to the said person.

The Minister observes that Joe Wills of Fort McMurray, Alberta, being settled under the provisions of the said section 11 of the Dominion Lands Act has a prior right to obtain homestead entry for the south west quarter of section 11, township 89, range 9, west of the 4th Meridian, and on the 14th day of August, 1917, was notified in writing by the Dominion Lands Agent at Edmonton that he had been granted by order in council of the 9th day of July, 1917, entry for the said south west quarter of section 11, that the same had been withheld for entry until the expiration of section 9, of the said Dominion Lands Act.

That the said Joe Wills has failed to exercise his said prior right of entry within the time limited by the said notice and is still residing upon the said land.

A certificate has been received that said private Joe White, 49th Overseas Battalion, Canadian Expeditionary Force, has been officially reported as having died at No. 13 General Hospital, on the 19th day of June, 1916, of wounds received in action.

The Minister, therefore, recommends that the said Joe White, now deceased, be given the status of an entrant for a homestead with respect to the aforementioned North west quarter of Section 11, Township 49, Range 9, West of the 4th Meridian, in order that his estate may obtain letters patent for the said land under the provisions of the Orders-in-Council of the 8th May, 1915, and the 2nd September, 1915, which provide for the immediate issue of letters patent for the homestead in the cases where the entrant has been called on active military service in defence of the British Empire.

The Committee concur in the foregoing and submit the same for approval.

Dear Sir:

Re: N.W. 31-23-9-w.4th.

This Department has an old account against the above noted land for advances of seed grain to Hassan Mar Sheddy in 1920. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Encl.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

J.H. Todrick, Esq.,
Supervisor, Special Areas,
Dept. of Municipal Affairs
EDMONTON, Alta.

This land is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Supervisor, Special Areas.

Re: Account of Hassan Mar Sheddy,
N.W. 31-23-9-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $185.50 was advanced to Hassan Mar Sheddy on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 185.50	$ 413.54	$ 599.04

The N.W. 31-23-9-W.4th was formerly the purchased homestead of the debtor whose entry was cancelled on the 14th of July, 1926, and is still unalienated Crown land held in the Right of the Province.

In reply to our questionnaire of the 15th of May, 1928, J.W. Fleming, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under low term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and [illegible] any security of value for the amount involved. Under the circumstances it is recommended that the indebtedness be cancelled.

C.W. Mc[illegible].

Ottawa, 8th July, 1952.

Re: Account of Hassan Mar Sheedy,
F.W. 21-23-9-W.4th.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dominion Member.

[illegible].

Mr. Bent made application for patent for the above mentioned land. His application was approved and fiat was dated 15th June last. He asked the Department making that the issue of patent be held up as he desired to transfer his entry to land lying nearer to his Soldier Grant entry.

On the 21st June you asked Mr. Gliddon whether it would be possible to withdraw the fiat and on the 26th of the same month he stated that the fiat had been cancelled.

A declaration on Form 50 has now been received from Mr. Bent setting forth that he wishes to transfer his homestead, the N.E.¼ 34, to the N.E.¼ 26-.1-1-w. 4th M., which is nearer to his Soldier Grant entry, the N.E.¼ 34-.1-1-w. 4th M. Attached to this declaration is the interim receipt for the homestead.

It appears that Mr. Bent has apparently complied with the regulations and the Agent of Dominion Lands at Calgary has reserved the land to enable the entry to be transferred if allowed. I therefore beg to submit the matter and am instructed to take the necessary action in this behalf.

I have the honour to be, Sir,

Sir,-

... 4 Sec. 15 Tp. 25 Rge. 9 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Pre-emption - Gabriel Ledru.
Agency file No. 156887.

I am to acknowledge your letter of the 20th September last, enclosing Abstract of Title in connection with the pre-emption of Gabriel Ledru, and reporting the submission of no defence by him in response to notices to show cause why his pre-emption entry for the quarter-section above mentioned should not be cancelled for non-payment of the purchase price, and in reply to say whereas Mr. Ledru was reported by Homestead Inspector Hembry on the 29th April last, to be in residence entry action is not considered to be advisable.

Under the circumstances please detail a Homestead Inspector to visit the land again and report whether Mr. Ledru is still in residence and as to crop returns this season, with a view to securing payment, if possible, on account of the purchase price due under the terms of entry.

Memorandum.

Mr. Hume.

N.E.¼ 6-42-1-W.4th Mer.,
Pre-emption - Gabriel Ledru.
Entry - 16th December, 1912.

Cancellation proceedings instituted on the 10th June, 1926. No defence filed.

Patent applied for and Certificate of Recommendation issued which expired on the 16th September, 1921, and renewed to the 2nd January, 1923.

An Inspector on the 29th April, 1926, reported the entrant in residence since 1913; house $75.00; stable $20.00; fencing $60.00; 50 acres breaking on the pre-emption and 75 on the homestead. The Inspector could collect nothing, the entrant having only a small area under cultivation in 1925. The Inspector added that he was under the impression that the land would never be paid for; area fit for cultivation - nil.

An Abstract of Title shows a mechanic's lien registered against the land.

The Inspector again reported in November last; entrant not in residence; practically same improvements. The Inspector adds that this man does not intend to pay for the pre-emption; owns practically nothing.

It would appear that the entry should be cancelled, notwithstanding settlers protection.

Mr. C. K. LeCapelain,

Seed Grain Advisory Board.

Re: Account of Gabriel Ledru
N.E. 6-42-1 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1917 and 1919 seed grain amounting to $226.95 was advanced to Gabriel Ledru on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 226.95	$ 499.75	$ 726.70

Patent was issued in the name of Gabriel Ledru for the N.W. 6-42-1 W.4. on the 19th of January, 1920. subject to the 1917 and 1919 liens. The N.E. 6-42-1 W.4. was formerly the pre-emption entry of the debtor whose entry was cancelled on the 20th of January, 1927, and the land is still Crown Land held in the right of the Province.

In 1929 the N.W. 6-42-1 W.4. became subject to forfeiture proceedings for non-payment of arrears of taxes and title reverted to the Crown in the right of the Province.

The land is described as sandy and unfit for cultivation.

Both quarter sections are still vacant and no longer being operated. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

W. J. Taylor.

Ottawa, 4 [illegible], 194.

Re: Account of Gabriel Ledru
L.A. 6-12-1 . 4.

The undersigned member of the Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

Memorandum:

Request for transfer of Dominion Lands under Section 37 of the Soldier Settlement Act.

Re: W.B. Mattice,
S.W.¼ 5-24-7 W.4th S.C.

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in November, 1919, and in due course secured advances from the Board amounting to $3307.21, as follows: removal of effects, $18.90; permanent improvements, $1000; stock and equipment, $1016.45; special advances, $272.26. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board is title to the S.E.¼ 5-24-7 W.4th the former homestead of this settler.

This settler was granted one year's leave of absence till March 1923, on account of his wife's ill health. In March 1923 the settler called at the district office and was again granted leave of absence till the 1st March, 1924. The settler did not return to the farm and it was not cultivated during the 1924 season. In an interview with the Field Supervisor he stated that he had definitely decided to give up his farm. He later wrote to the district office stating that he had obtained a good position in England and requested that a quit Claim Deed be forwarded to him. His agreement to the Board was finally rescinded pursuant to a quit Claim Deed executed by him on the 22nd of July, 1925.

The settler's indebtedness amounts to $2096.64. The latest valuation placed on the soldier grant is $800. The quarter-section to which we hold title is valued at $680, making a total valuation of $1480. No arrangements have been made for the disposal of this land and no offers have been received.

The land is practically bush and within the meaning of section 37 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of the said settler and also the right, title and interest of his assignee, if any, in the said land be vested in the Board.

The Board has no objection to the said land being sold to the said settler, or to any other person, subject to the approval of the Board being first obtained to the terms and conditions of such sale.

W. W. Cory, Esq., C.M.G.,
Deputy Minister,
Department of the Interior,

W.½ of Sec. 14 Tp. 56 Rge. 9 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are entitled to this [illegible] for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir:

Referring to your letter of the 6th December, 1919, I am to inform you that a report has been received from the Board of Pension Commissioners to the effect that the permanent disability suffered by you while a member of the Canadian Expeditionary Force amounts to 15% in the general labour market, and that this disability would handicap you to some extent in farming.

In view of your disability, it has been decided to allow you to earn title to your homestead, the above described land, by completing one full period of six months' residence within the meaning of the Homestead regulations, by enclosing the quarter-section with a substantial fence, and by maintaining at least ten head of stock solely owned by you on the land for one season.

Your entry, which is the subject of cancellation proceedings is liable to forfeiture because of your failure to complete the settlement duties and to make application for patent within the time prescribed by the Dominion Lands Act.

Please report to the Agent of Dominion Lands at Lethbridge within the next thirty days what your intentions are with regard to the land entered.

Your obedient servant,

Secretary.

Sir,-

S.E. ¼ Sec. 14 Tp. 37 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you a homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.
